**FOR Planning and Programming Committee January 14, 2026 Agenda Item 10, 2025-1062  
Sepulveda Transit Corridor Project**

**Subject: SOHA Supports Modified Alternative 5**

By unanimous vote of our Board, the Sherman Oaks Homeowners Association supports the Metro Planning and Programming Committee's recommendation of Modified Alternative 5 as the Locally Preferred Alternative for the Sepulveda Transit Corridor Project. This modified alternative uses modern driverless heavy rail technology as a subway under Van Nuys Blvd in the San Fernando Valley.

Thank you for the timely LPA recommendation.

Sincerely,
